A STANDARD OF PROFESSIONAL CONDUCT AND RULES DEFINING UNETHICAL PRACTICES FOR PERSONS HOLDING CERTIFICATES AS CERTIFIED PUBLIC ACCOUNTANTS UNDER CHAPTER 473, FLORIDA STATUTES, 1959.

1. A Certified Public Accountant or Public Accountant shall not allow any person to practice in his name who is not in partnership with him or in his employ, and shall not certify to any accounts, exhibits, statement, schedules or other forms of accountancy work which have not been verified entirely under the supervision of himself, or a member of his firm, or associate or member of his staff.

2. The allowance, or agreement to allow, directly or indirectly, of a commission, brokerage, or other participation by the laity in the fees or profits of his professional work by a Certified Public Accountant or Public Accountant, or the acceptance, directly or indirectly, by any Certified Public Accountant or Public Accountant, practicing either on his or her own account, or as a member of a partnership or other organization, or as an employee of a Certified Public Accountant or Public Accountant, from the laity of any commission, brokerage or other participations for professional or commercial business turned over to the laity as an incident of service to clients, is unethical practice.

3. In expressing an opinion on representations in financial statements which he has examined, a Certified Public Accountant or Public Accountant shall be held guilty of unethical practice, if:

   (a) He fails to disclose a material fact known to him which is not disclosed in the financial statements but disclosure of which is necessary to make the financial statements not misleading; or

   (b) He fails to report any material misstatement known to him to appear in the financial statement; or

   (c) He is grossly negligent in the conduct of his examination or in making his report thereon; or

   (d) He fails to acquire sufficient information to warrant expression of an opinion, or his exceptions are sufficiently material to negative the expression of an opinion; or

   (e) He fails to direct attention to any material departure from generally accepted accounting principles or to disclose any material omission of generally accepted auditing procedure applicable in the circumstances.

4. Any Certified Public Accountant or Public Accountant who has been found guilty of fraud or an attempt to defraud a client or any person, firm or corporation in connection with his professional work or business (by any court or commission, committee or other tribunal established by law) or who in his professional work or business has been guilty of conspiracy to defraud the government of the United States of America in any matters relating to Federal Income Tax, or Federal Estate Tax, or who has been barred from practice before the Treasury Department of the United States of America on account of having prepared fraudulent tax returns of any kind for a taxpayer, is deemed guilty of unethical practice.

5. Any Certified Public Accountant or Public Accountant who accepts or takes part in any engagement, either on his or her own account, or as a member of a partnership or other organization, or as the employee of a Certified Public Accountant or Public Accountant involving Income Tax, Estate Tax or other tax matters, with which the said Certified Public Accountant or Public Accountant has had prior contact as an employee of the United States Government or Political Subdivision thereof, is deemed guilty of unethical practice.

6. Any Certified Public Accountant or Public Accountant, practicing under the provisions of the above named law, who enters into a contract, expressed or implied, to perform a specific service or specific services, in consideration of the payment to such Certified Public Accountant or Public Accountant of a specified sum of money, which payment is to be for a definitely fixed amount, which amount is not based upon a per diem charge or upon the length of time required for the rendering of such service or services, and who fails to perform such service or services as he has agreed to perform, is deemed guilty of unethical conduct under the provisions of the law. This Board in determining whether or not the service or services so rendered have been or have not been rendered in accordance with the agreement with such Certified Public Accountant or Public Accountant, shall measure the extent and sufficiency of such service or services, according to the general understandings, customs and practice of the profession of public accountancy as practiced in the United States of America. In the event that this Board shall find such service or services have not been rendered in accordance with agreement, and so advises the said Certified Public Accountant or Public Accountant who shall then fail within a reasonable length of time to complete such service or services without further compensation in manner deemed satisfactory to this Board, unless excused therefrom by the client, then the said Certified Public Accountant or Public Accountant is deemed guilty of unethical conduct under the provisions of the law. PROVIDED, HOWEVER, that any person found by this Board to have been guilty of unethical conduct through failure to satisfactorily perform services as specified in this rule, and who thereafter completes the performance of such service in a manner satisfactory to this Board, within such time as to this Board shall appear to be fair and reasonable, shall not be deemed to be guilty of unethical conduct as specified in this rule.

7. The suspension and/or revocation by the Board issuing same of a certificate as Certified Public Accountant issued by another State, by virtue of which certificate the State Board of Accountancy of the State of Florida has issued to the holder thereof a reciprocity certificate as Certified Public Accountant, as provided for under Section 473.19 of the above named law, shall be taken and held as prima facie evidence of unethical conduct under the provisions of the law.

8. Any Certified Public Accountant or Public Accountant who knowingly hires anyone or has anyone in his employ who has had his certificate revoked by the State Board of Accountancy, or has been disbarred by the Treasury Department or has been convicted of a felony and has not been restored to his civil rights, is guilty of unethical practice.

9. A Certified Public Accountant or Public Accountant shall not make a competitive bid for a professional engagement in any state, territory or the Dis-

trict of Columbia. As used in this rule, "bid" means knowingly submitting an offer, either orally or in writing, to perform a professional engagement for a stated fee or basis of fee when one or more other Certified Public Accountants or Public Accountants or firms thereof are also offering to perform the same professional engagement for a stated fee or basis of fee. The submission of such an offer as described in the preceding sentence will be held to have been made knowingly if it is made in response to a general invitation by the prospective client or a representative thereof, either orally or in writing, to two or more individuals and/or firms as defined in the preceding sentence, or by any form of public notice, to submit a bid or proposal to perform the professional engagement concerned; provided, however, that if the charter of a municipality as at June 13, 1956 contains a specific requirement that public accounting services be engaged only as the result of competitive bids, then the prohibition stated in this rule shall not apply to public accounting services performed for such municipality as long as the municipal charter in question contains such provision, provided there is full compliance with the procedure required in the following sentence. At the time of submitting a competitive bid or proposal to such municipality as described in the preceding sentence, the Certified Public Accountant or Public Accountant or firm thereof shall notify the Board that a bid has been submitted to such municipality, and if such bid has been made on the basis of specifications for the services to be performed, a copy of the specifications shall be transmitted to the Board with such notification.

10. A Certified Public Accountant or Public Accountant shall not express his opinion on financial statements of any enterprise financed in whole or in part by public distribution of securities, if he owns or is committed to acquire a financial interest in the enterprise which is substantial either in relation to its capital or to his own personal fortune, or if a member of his immediate family owns or is committed to acquire a substantial interest in the enterprise. A Certified Public Accountant or Public Accountant shall not express his opinion on financial statements if he owns or is committed to acquire a financial interest in the enterprise which is substantial either in relation to its capital or to his own personal fortune, or if a member of his immediate family owns or is committed to acquire a substantial interest in the enterprise, unless in his report he discloses such interest.

11. A Certified Public Accountant or Public Accountant shall not permit his name to be used in conjunction with an estimate of earnings contingent upon future transactions in a manner which may lead to the belief that the Certified Public Accountant or Public Accountant vouches for the accuracy of the forecast.

12. Professional service shall not be rendered or offered for a fee which shall be contingent upon the findings of such service. This rule does not apply to cases involving federal, state or other taxes, in which the findings are those of the tax authorities and not those of the accountant. Fees to be fixed by courts or other public authorities, which are therefore of an indeterminate amount at the time when an engagement is undertaken, are not regarded as contingent fees within the meaning of this rule.

13. A Certified Public Accountant or Public Accountant shall not directly or indirectly solicit clients by circulars or advertisements, nor by personal communications or interview not warranted by existing personal relations, and he

shall not encroach upon the practice of another public accountant or certified public accountant. However, any Certified Public Accountant or Public Accountant may furnish such services to those who request them.

14. Direct or indirect offer of employment shall not be made by a Certified Public Accountant or Public Accountant to an employee of another public accountant or certified public accountant without first informing such accountant. This rule shall not be construed so as to prohibit negotiations with anyone who of his own initiative or in response to public advertisement shall apply to a Certified Public Accountant or Public Accountant for employment.

15. A Certified Public Accountant or Public Accountant shall not advertise his professional attainments or services:

    (a) The publication of what is technically known as a card is restricted to an announcement of the name, title (member of American Institute of Certified Public Accountants, C.P.A., or other professional affiliation or designation), and address of the person or firm, issued in connection with the announcement of change of address or membership of firm, and shall not exceed two columns in width and three inches in depth if appearing in a newspaper, and not exceed one-quarter of a page if appearing in a magazine or similar publication.

    (b) A paid listing in a directory is restricted to the name, title, address and telephone number of the person or firm and it shall not appear in bold type, box or other form of display or in a style which differentiates it from other listings in the same directory.

16. A Certified Public Accountant or Public Accountant shall not be an officer, director, stockholder, representative or agent of any corporations engaged in the practice of public accounting in any state or territory of the United States or the District of Columbia.

17. A Certified Public Accountant or Public Accountant shall not violate the confidential relationship between himself and his client.

18. A Certified Public Accountant or Public Accountant shall not permit his name to be associated with financial statements unless he shall 1) express an unqualified opinion, or 2) express a qualified opinion, or 3) disclaim an opinion on the financial statements as a whole and indicate clearly his reasons therefor, or 4) disclose that such financial statements were prepared without audit.
